“ Dear Chris and Daughters,
I went all through school with Susan, and when I remember back, what comes to mind was how vibrant she was. Classes were always more fun when Susan was in them. My deepest sympathies.

“ Dear Chris, daughters and family, I just returned home from Susie funeral Mass, which was a beautiful service. I'm sorry I didn't get to extend my sympathy personally to you all. I worked with Susie at Shawn's Rest. in Hamden so long ago, however I could never forget her smiling face, her wonderful laugh, and her caring personality. So many fun memories have come back to me this week, especially about Susie. We lost touch, but when I heard of her passing I was so upset. She was a beautiful person who touched so many people in her life time.

Best to you all, Moira

“ Suzie was the type of person who could light up a room. A glimmer of that light remains with us all in her passing. You will be missed dearly. My sympathy is with our family and all of those who were touched by Suzie.
