“ Though it has been many years since I have seen Sue, she was always sweet, thoughtful and had a great smile for everyone who was fortunate enough to cross her path. Take some small comfort knowing that many others are thinking of you and sharing the loss of this fine woman far too early.

“ As I read these condolences, I realize I did not know Sue as an adult. I regret that I did not. But probably no one knew Sue better as an adolescent-teen. I was her best friend. We were a team. The only two from St Vincent's that did not go to East Haven High, but braved the inner city to attend St Mary's. Countless days we would spend together, many at the Foley's house. It was there that I learned people made Turkey for dinner other than on Thanksgiving. Or even how to make the best potato salad in town. Sue tried to coach me to become a cheerleader. She would make me practice and practice but to no avail. We would shoot hoops with the third musketeer, Jack Hannon. Sue could keep up with him and he went on to do great things for Notre Dame's team, probably all due to training with Sue. We were 17 and somehow I convinced my father to put a hitch on his car and she convinced her parents to let us take their camper and off we went to Cape Cod, pop up trailer in tow. How about that motor scooter that she use to ride to UNH? Or her VW bug And boy was she smart. A real good student and organizer. Boundless energy, infectious smile and twinkley eyes. I wish we hadn't let time go.

To Paul, Collete, Diane and Sue's children, my very deepest sorrow.

“ I can't even find the words to tell you how very sorry I am for your loss. Sue was like a sister to me and I loved her very much. She was a mentor and a friend that was looked up to by so many. From the first moment I met her there was an instant connection that never faded. She loved all of you so very much and was so proud of you, Tim, Kim and Matt.
My thoughts and prayers are with you during this difficult time.

“ Paul and family,
I'm so sorry to hear about Sue - the St. Mary's days seem so long ago, but the friends and memories made don't make it seem so long ago. My sincere sympathies to you.

“ There are no words I can say or write that will ease the pain and grief you are feeling at this time.
However find comfort in knowing as time passes the pain does go away and your heart fills with memories and love and you realize that you will never be alone, she will always be there by your side.

“ *To Paul, Kim & Family,
When I think of Sue, nothing but good thoughts come to mind. She was such a beautiful person. We met many years ago @ St Marys HS in New Haven. We then reunited in Hamden many years later @ a TAG parents meeting @ the Board of Ed. Our Team Esprit Parent Days were the best! We exchanged many stories about our children successes. You were a very proud & supportive Mom.
To Tim, Kim, Matt & Paul it will be hard but God will see you through this most difficult time. Only the strength of God, the Love of friends & The Prayers of All can help keep You.

“ Dearest Aunt Collette and Diane, I am so sorry for your loss of Sue. Sue had the most beautiful smile. She was funny, soft spoken, and a joy to be around. Whenever the "Foley Cousins" got together, Sue would join right in with the good natured teasing of cousins, aunts and uncles. What great times we had when we were all together! May your memories bring you comfort and peace. Sue is now in Heaven and looking down upon us all with her beautiful smile...
