“ Aunt Linda, Michael, Susan and Janice, I have so many great memories of Uncle Teddy. He taught me so many things. From working with him doing carpentry or fishing with him in the sound. He was the best ! We will miss him so much, but we will never forget him. Rest in peace T. L.

“ Linda, Michael, Susan, Janice and Families, Deepest sympathy in the loss of your husband, father and grandfather. I share your loss as well. My memories of Teddy will remain close to my heart all of my life. Not only as my Boss for a few years; but, as my friend for many years. My friend to laugh with, go hunting and fishing with, to recall great times together with and learn that "we had more fun than people". "N'mean". The crew will be together once again. God wants the great carpenters.
