“ I just learned of Theresa's passing. She interned with me at the American Liver Foubdation as she was completing her education at Southern. I am shocked that she has passed. She was a bright, effervescent young woman. Please accept my sympathy for your loss. I just have no words other than I am so very sorry.

“ A few years back, I was eating at Donovan's Reef in Branford and
Theresa came over and greeted me and gave me a big hug. We
were so happy to reconnect after not seeing her, since she was my
student in Art Class at Bear Path School. She disappeared and
came back a few minutes later and said she went to call her Mom to
tell her she met me. We exchanged phone numbers and I tried to
connect with her, but was unable to. I was so sad to hear of her
passing. My condolences go out to her family during this difficult
time.

“ Denise and Family,
I am so sorry for her loss. Theresa and my son, Steven, were in
many classes together at Bear Path School. Since I was involved
for many years in the PTA, I saw Theresa a lot. She was so cute,
always smiling, and had that wonderful laugh. My thoughts and
prayers are with you all.

“ I only knew Theresa working with her at Sergio’s. She was funny thoughtful and so easy to become friends with. We usually seemed like the last two leaving and she was waiting for a ride. She used to say just go her ride was coming I’m much older so like a mom I waited. It never was long. One night was cold so we waited in my car and talked a while and laughed. She was a thoughtful fun likeable person and definitely missed. Rest In Peace Theresa. Always Karen

“ I will always remember Theresa as the kind hearted soul who spoke to me about how “helping others made her feel good”. Her ability to care for the elderly who relied on her to sustain a decent quality of life was one of her many special qualities. May her smile, your fond memories and the knowledge that she positively impacted the people she cared for bring you peace and comfort during this very difficult time. Our deepest sympathy and prayers, Sarit, Ed, Dallas and Jake

“ *Denise and family,*

I am so sorry to hear of Theresa's passing. I have a lot of fond memories playing softball with her and seeing her around Hamden. She is one of the reasons my transition from baseball to softball was so easy, she was so kind, welcoming and her smile was infectious, in fact I rarely saw her without one. I'll never forget playing against her at Pinerock field when she was pitching and I nailed her in the leg with a hit. She never let me live that down, even years later, but all in good fun. She will be missed. Hang in there.
