“ I will forever be grateful to Theresa for her love and generosity. Your house was a second home to me. I had so many good times as a kid playing in the yard and dancing to Neil Diamond in the living room. Theresa always had a smile on her face and love in her heart and everyone around her felt that love. I haven't seen her in many years but was so saddened to hear of the passing of such an amazing woman, she touched everyone who knew her. She will truly be missed. You are all in my thoughts and prayers. God bless.

“ *I am so sorry to hear of your loss.*

I remember fondly my childhood growing up across the street from Theresa and the Hinckley family. Her door always open and kids were coming and going. My sister and I use to think it was so cool that we shared cousins with the kids across the street. Though Theresa had a big family of her own she always supported our fundraisers be it girl scout cookies or volleyball fundraising.

More recently it was great to be able to visit the neighborhood and take my own kids trick or treating at the Hinckley house and catch up with Theresa and meet her grandchildren. She was so proud of all her kids and grand kids

She has filled many lives with great memories and will be missed.

“ *There are no words that can be said to state
what a wonderful, caring, person Theresa
was. When my grandmother passed Theresa
told me not to cry about her not being here
but smile about all the wonderful memories
you have of her. Today I will not smile but laugh at all of the
amazing memories I have of her.*
