“ Tommy and Carrie and family--so sorry to hear about your Dad's passing. I know he was your best friend Tommy and he will be missed. But just keep the good memories close and he is always with you. He was funny but had wisdom and taught you a lot. I wish you peace.

“ Tom you were Joe's best friend when I met you and you became one of my dearest friends as well. Over so many years we shared some wonderful memories many of them spent around your kitchen table sharing a wonderful meal you had prepared. There was never a more easy going person and as I reflect I realize that not only did you never lose your temper but you were never impatient. I called you so many times for help with one thing or another and you always found time to help and would tell me it was no problem. I never heard you complain even when you had every reason to and I will always remember you walking in with your cheerful "Hi Di" and I will miss that greeting. Over the last few weeks I had the opportunity to spend time with you and visit at the hospital and even though you were weak and tired you didn't complain and worried that I had a comfortable chair to sit in and asking if I wanted tea. I am glad I had that time with you and wish I could run up and visit with you tomorrow. I believe you are now at peace and I have such wonderful memories of my dear friend a true gentlemen.

Rest in peace Thomas.
