“ I first met Tom at Laurel View Country Club in the early 70's. We played golf together, and competed against each other in several tournaments. We partnered in the Tallwood-Blackledge 2-man team event a few times, playing 18 holes at each course in Hebron. We weren't very competitive, but we always enjoyed trying our best. Tom was always quick with a smile, and spoke his mind when things weren't as he thought they should be.

I spent some time looking over the tournament boards at the Laurel View clubhouse the other day. I was surprised how many times his name appeared, on several boards. He was one of the best putters when in his prime. Like all of us, those skills faded away as the years piled on.

I'll post some pictures of the tournament boards in the photo section of this site for all to see.

He was a good friend and will be missed at the golf course and at the card table at the Hamden Senior Center.

“ Tommy was my older cousin. Because of the age difference and the size of the Murray family, as we grew older we didn't see each other as much as when we were kids. May you Rest In Peace Tommy. My sincerest condolences to my Aunt Jean, cousins Joe and Jimmy.

“ I met Tom in the late 80's working at Janazzo Heating & Air Cond. He was our salesman from NH Windustrial and would come in once a week to call on us and help us with what ever we needed, always coming by around 9:00 - 9:30 with coffee's in hand for us. He became a good friend over the years. A true gentleman in every way.

Tom, It was truly a pleasure to have known you and to be able to say we have lost a great man and I, a "True FRIEND", You will be missed Tom.....Paul LaBelle Jr.
