“ *My deepest condolences and sympathy at the loss of your dad. I have been friends with Tommy since I was a young boy on Atwater street. We would be involved with all kinds of sports and activities when we were young kids hanging around the neighborhood. Talking to Tommy was always a good time, as he would make jokes about the subjects we would be talking about. Hearing of his death was a big loss, especially since I spoke to him on Facebook the night before. I am so sorry for your loss. -*

*Sincerely,

“ My sincere condolences to the Sutcliffe family. I remember when you were born. I remember when you were a little kid running around all over Atwater St., always wearing a big smile or laughing, something that never left you. You had your mother’s heart and your father’s sense of humor, a great combination! Rest In Peace, “Sport”

“ Brittany,
Heartfelt condolences to you and family. Today I share in your grief as you mourn the loss of your dad. I know it is never easy to lay to rest someone we love but i Pray that the Lord gives you strength, comfort, peace and joy in the memories that he left behind. It must not be your goal to get over the loss of your dad, rather it should be to live remembering always how he makes you feel and getting to a place where you can reflect remembering without the pain.Love you and I'm praying for you.

“ *To Tommy's family: I am so sorry for your loss. Tommy was a good man with a huge heart. He spoke proudly and lovingly of all of you all of the time. I will miss his smile and jokes, but most of all his loyal friendship. Live Oaks will not be the same without you. RIP Tommy.*

“ *To Tommy’s Family,*

We are so sorry for your loss. Tommy worked in our hallway and we all became friends. We will think of him and smile as we remember him teasing Yankee fans, giving kids silly nicknames, and being silly with the kids in our classrooms. A small silver lining for us is that many of us spoke to him recently, he called to check in on kids, puppies and sick loved ones, for that we are grateful. The halls of Live Oaks will sadly be much quieter.

“ Austin , Tristan and Ryan words cannot explain the sadness I feel for all of you.
Hardworking and a love of life always with a joke or a funny story I always could count on a good laugh whenever I would bump into him in town or at your grandmother's house. He will be truly missed.
