“ Dear Evelyn,
In 1965, I was a first year teacher at Race Brook School in Orange
where I was on the staff with your cousin Bill. He was teaching
fourth grade at the time and I always enjoyed being in his
classroom! I was teaching French from a cart at the time and went
in and out of all the classrooms in third, fourth, fifth and sixth grade
to do a twenty minute lesson “entirely in French.” It was my great
pleasure to have such wonderful colleagues. I learned a lot from all
of them and especially appreciated Bill’s skill at cartooning. I
became engaged that year and he made an enormous card of me
with a huge sparkly diamond on my ring finger to greet me the
following day on the bulletin board in the teachers’ room! He was a
wonderful, kind, giving man and wonderful teacher. I’m very sorry
for your loss. Sincerely, Bonnie Coppola
