Bill you will be missed by many. I remember you and I started the annual St Patrick's Day Parade trip to march in the New York's St Patrick's Day Parade. We had many good times together. Your birthday was on th18th and mine on the 16th of March. We exchanged stories about Korea & Japan. You were a straight forward tough no BS guy. Always admired you." May the road rise to meet you May the wind be at your back May the sun shine warm upon your face May the rains fall soft upon your fields And until we meet again may god hold you in the palm of His hand" Your in my prayers. Save me a place In Heaven near you. RIP my friend.
