“ Dad,

*I can't believe you won't be there any more when I come back up to CT. It is so difficult now, but I really believe you were there with me on my way to work yesterday morning. I know it sounds funny, but believe it or not, there was a Lincoln Town Car, right in front of me! (it was the model just like YOUR car!!). I miss you so much and I can't believe you were called "home to Heaven"...it was way to soon....I was coming up to see you in a few weeks once you had gotten settled in at Montowese....I miss you soooo much and I am so sorry I didn't get to speak to you on Friday.... You are sooooo loved and I know you are enjoying your sweets in Heaven right now....people tell me the tears will stop and over time it gets easier...this has been soooo hard for me...THANK YOU for being MY dad...THANK YOU for adopting me....you always provided for all of us and NEVER complained.... Thank you for always picking me up from Pathmark and being my "limousine service".....I am SO grateful that you and I had our last picture taken together in July at Mary's house. I saw your train table and it looks AWESOME! It's coming along. I love your "city lights"...Mary shared the pictures with me and I saw it during the day. I can't believe you put those in the lawn...I'm really impressed....Lil Anne Mary misses you, but don't worry, I gave her lots of hugs and kisses when I stopped by the house...I know mom will take very good care of her!!!
LOVE and MISS you soooo much...

“ Dad,
I can't believe you are gone. My heart is breaking. Life will go on but it will never be the same. I imagine you in heaven greeting friends, "Hello Stranger!" And hugging your parents and being so overjoyed to be reunited with them and other family members.
I'll miss you coming over on Holidays and on Sundays. You sure did enjoy my meals and brownies! We'll finish the train table. I'll find the farm fences. The town will have the eclectic feel you were going for. I'll take care of mother. I know you will be happy that I'm now driving "Miss Vicki." You were the ying to her yang and without you, it's going to be very difficult. She will be ok though.
I'll follow your example of charity, kindness, hard work, prayer, and love for God & family. Oh, and bravery too. Not too many know just how brave you were in the hospital.
I will love and miss you every day!
Love Always & Forever,
Your Daughter, Mary Joy

“ He was the quietest kindest dad anyone could hope for. He was always fair and never in all the years of growing up 2 blocks away did he yell. He was the ultimate true gentle man. I know Veronica will miss him dearly.

“ *My deepest condolences go out to the family. Aunt Victoria and Uncle Bill have been my Godparents since I was four years old. Uncle Bill was the kindest, sweetest, most generous, faithful, good man, and when he passed, he left the world a better place. He is with the Lord now. The best thing for us to do is to celebrate the life of this wonderful man. My fondest memories with him are a model train show when I was young, and the conversations we used to have while watching television in his living room. Goodbye, Uncle Bill. You are missed.*

“ To the Family of Bill Giblin: I extend to you my heartfelt sympathy in the loss of your husband, father, grandfather. I had the pleasure of knowing Bill through our association at the Knights of Columbus Supreme Council. Bill was ALWAYS a kind, compassionate Catholic gentleman... He was our "go to" guy when a document needed to be fetched or researched, and he was a living encyclopedia of the Knights of Columbus. May you take comfort in these words. R.I. P. Bill Giblin.... Ann Marie Fiondella, retiree from the Supreme Council, Knights of Columbus.
