“ *So sorry to read of Bills passing. Its been many, many years since my mom and dad(George & Ruth Moon) and Ann and Bill spent New Years Eve waiting for the ball to drop watching Guy Lombardo on black and white TV. It was always an event, the preparation, and decoration and excitement the Hunts" were coming. Every year, there were other couples now and then, but always Ann & Bill. So many good memories to hold on to. Their friendship started way back when George & Ruth came from Scranton PA early 1940's for work and lasted so many years. May all the memories of the past give you peace for the future.*

“ Grandpa Bill was one of a kind. He was the strongest minded man with a sense of humor to boot. He was always on top of everything going on in the world and the family. No one fooled this man. He came through at our worse times and never ever made us feel guilty in any way. I only hope he knew how much my girls and Larry loved him. He is now reunited with his wife, Larry and Norene. Forever Loved Deb, Corey, Ryann, Richie and Danny <3

“ William Hunt was my grandpa, he gave me my best childhood memories. Grandpa would pick up us (Norene, Larry, David and me Kathy) along with uncle Bill on Sundays. Grandpa and grandma would take us to the playground, Edgewood park, east rock, the town circus, the Bronx zoo and even The Worlds Fair, in DC. Now you can understand why he gave me my favorite memories. Grandpa always had the camera ready to take pictures of us all and I have many of them that I treasure. I love you grandpa, RIP Kathy (pet). :))
