“ *Cathy, Cindy, Cheri, Kevin, and family :*

We are saddened to hear of Bill's passing, but relieved to know that his suffering is over, as is your anguish.

I'll always remember fondly how he often referred to me as "brother", reflecting the fact that neither of us had a brother, other than each other as brothers-in-law.

We will continue to keep Bill and all of you in our prayers, especially you Cathy. We look forward to your visit when the snow begins to fall over New England.

*All our love forever.
