Bill had a love for golf and was a member of the Quail Creek Country Club in Naples, FL and was a long time member of Racebrook Country Club in Orange. He was also a board member of the St. Raphael Hospital Foundation and a long time parishioner of Holy Infant Church.

Most of all he loved spending time with his family, and looked forward to the annual winter vacation.

“ *Your father has left his foot print in many ways and his legacy will live on for many years to come. I am sure you all are honored to be his children and family. He was a very hard worker and he has passed that work ethic on to you all. He was always kind to me and made me feel at home when he spoke to me. I have not known him but for a few years, but I have always enjoyed our conversations. I pray that you now have the support of each other and also have peace knowing he is now resting and his soul will always be with you in your heart and in your memories.*

I am also proud to have known your father.

“ *My Dear Cousins,
Though work and golf were true passions of your dad, his greatest love was his family. He cherished spending the holidays together and you kept the traditions alive after you lost your mom. I recall how he talked about his grandkids; you knew he was so very proud of them. Your peace will come in knowing how you have been by his side for the past several years, giving him your constant love and support. Your mom is proud of how dedicated you were to him. On a light note, I will never forget how, so many years ago, he told me that a woman should never leave the house without lipstick on. He said that no matter what she had on, the lipstick would be noticed! Dearest Bill, with Patty by your side, find a beautiful green golf course and always rest in peace.
With love, Gina, Dave, Taylor and Morgan*
