“ To the Family of William -- I cannot tell you how saddened I was to hear about Williams's passing. I always enjoyed him coming to Smilow; loved it when he would order chicken noodle soup and say "don't forget the straw". I love working at Smilow but, after making friends with so many patients, it's very hard for me to accept their passing -- William was truly a good friend of mine on Tuesdays and Thursdays. My thoughts and prayers go out to the entire family.

“ Dear Ellen and family, I was very sad to hear about Bill's passing; I remember him well from work in Hamden. He was always a kind and hard-working gentleman who talked about and loved his family very much. You are all in my thoughts and prayers. Fondly, nancy defrank
