

William L. Pursell

May 18, 1928 - November 2, 2018

We are saddened today to say that our dad and friend, Bill Pursell, left this life to spend eternity with, among others, his beloved wife of 55 years, Mary Lou. He was born on May 18, 1928 in Bridgeport, CT to William A and Helen (Inman) Pursell. After graduating from Bassick High School, he joined the US Army and served during the Korean War. Upon his return, Bill took a position at Bassick Corporation, graduated from Quinnipiac College, married Mary Louise Philbin and settled in New Haven, CT where he raised seven children. He was most happy when he was surrounded by his family. The big annual events (i.e. Thanksgiving, Christmas, Easter, July 4th) became bigger as children married and had children who then had children of their own. And of course, cousins and friends would often show up since the open-door policy was always in effect. Bill was in his element at these affairs of 30 or more, which was noteworthy for this “only child”. The Pursell gang also provided ample opportunity to fill in his weekly dance card with numerous birthdays, sporting events and theater performances. In addition to the above, he still found time to serve for many years as a Cub Scout Leader, a father’s club board member of both Notre Dame HS and Sacred Heart Academy and member of the St Aedan’s Parish Council. Bill loved the Milford shore and could not wait for the summer breeze to beckon him there each year since 1940..

His most enduring quality, however, may well have been his welcoming persona. People were drawn to him by his smile and warm handshake and

immediately felt they were his friend. Bill laughed at his faults and foibles and would take pleasure in hearing his kids relate them in elaborate detail to others ...a quality much in demand today. He took a genuine interest in what you did, was a sounding board on issues in your life and of course dispensed sage advice on any topic – regardless of knowledge or experience. An excerpt from a poem by Linda Ellis – the Dash – seems appropriate:

‘I read of a man who stood to speak at a funeral of a friend.

He referred to the dates on the tombstone from the beginning... to the end.

He noted that first came the date of birth and spoke of the following date with tears,

but said what mattered most of all was the dash between those years.”

We will miss you Bill, your dash has made all the difference in our lives.

“ *Bill was simply a great man and the patriarch of just an amazing family that has been a major part of my life. From Bill and Mary Lou to their seven children, their spouses, then their children and their children's children.*

I will never forget growing up and going to the "cottage". Nothing else needed to be said to describe the house on the beach in Milford.

God bless the Pursell family.

“ *I'll always remember how welcoming Mr. Pursell was when our group (Rob's friends from St. Michael's College) descended upon the house in New Haven or the cottage in Milford. He was never judgmental about our antics. Rather, he always welcomed us warmly and seemed amused by it all. My condolences to the Pursell clan.*
