“ I graduated HH '76 with Billy. Although we did not know each other well in HS, we worked together for many years in the Orange Home Depot. Billy always had a keen wit, a smile for all, and an easygoing personality. I will always remember him telling me that in his teen years, he thought his name was actually Jesus Christ Bill. Apparently that is what his dad said to him regularly when he found out about his escapades. LOL! He was always such an upbeat and always a pleasure to see guy. I am so sorry for your loss. Rest in Peace Bill.

“ So many childhood memories of Bill as we grew up together on Knob Hill. Camping out, riding our mini bikes, walking to the bowling alley, and just hangin out....rest in peace my old friend, and love to Laurie, Noreen, Phil and the Shea family.

“ I will always remember all of our time together! Every time I hear the songs Glory Days n Raspberry Beret n all of Billy Joel songs I will think of Billy! We shared a lot of things of our ups n downs so much so we lost track of time ! Of all our phone conversations n some of our crazy times at Home Village! Just feels like a piece of my heart is gone!

“ *Remembering a cousin who always took the time to share happy
moments and put a spark in the gathering. You have left the
suffering behind, and you will be missed. I will a remember our
growing up years with the family picnics and outings. You and Sam
always managed to discuss the current "market" and hopeful
expectations. Go with God. With love...Pattie*
