“ Donna, I feel like such a fool - thought the wake was on Tuesday. Please forgive me. Bill was very special to me, my brother Vinny, and my mom. He and the crew would spent hours at my mom and dad's home - playing cards, laughing and joking. I considered him a very caring and good person who never forgot his friends, and always tried to get the crew together for a "guy" reunion - bless his heart. How I wish I could have seen more of him over the years. Bill will always be remembered as the guy with a warm caring heart.

“ *I was so sorry to hear that Bill had passed away. Bill was a good friend to my husband John Battick, Sr. when they were on the Hamden Police Dept. together. After John passed away, many years ago, Bill was so supportive and helpful to myself and my children. Over the years I would run into Bill and we would always catch up on old times and he would always talk about my sons, John and Mike, and how proud their father would have been of them. I will truly miss catching up with him and talking about the good old days. My deepest sympathy to his family, he was a wonderful man.*

“ *The Lord is my shepherd, I shall not want; He makes me lie down in green pastures. He leads me beside still waters; He restores my soul. He leads me in paths of righteousness for His name's sake. Even though I walk through the valley of the shadow of death, I fear no evil; for You are with me; Your rod and Your staff, they comfort me.
Surely goodness and mercy shall follow me all the days of my life; and I shall dwell in the house of the Lord forever.
Our deepest condolences.*
